Mrs. Caley 100 Years Old Dies

Active until a few days ago and greeting friends cheerfully as always, Mrs. Mary Bishop Caley, Sierra Madre centennarian and pioneer, passed away Tuesday night at her home, 233 Ramona Ave., Sierra Madre.

Mrs. Caley who was 100 years old last Oct. 6, fell and broke her hip a few days ago. Pneumonia set in early Tuesday, helping to end the life of a venerable woman who had spent 67 years in this city.

Born Mary E. Davidson on Oct. 6, 1861, the year the Civil War began, Mrs. Caley was the product of what is known in the Midwest as the Western Reserve county centering in and about Cleveland settled originally by New Englanders.

SHE CAME to Sierra Madre with her husband, William P. Caley, and two daughters in 1895, hoping to better her health. She speedily recovered and became one of this city's most energetic and leading women.

Mrs. Caley was a charter member of the Woman's Club and a member of the Sierra Madre Congregational Church.

She is survived by her two daughters, Mrs. Hilda C. Noble and Mrs. Maybelle C. Barker, and granddaughter, Nadine A. Noble.

Services will be held at the Campbell Chapel of the church with Rev. George W. Lindsay officiating. Riple Mortuary is in charge of the funeral, the day and time to be set later.

Burial will be at Mt. View Mausoleum beside her husband.

Mrs. E. Hadlock Dies In Mexico

Mrs. Elise Hadlock of 385 W. Orange Grove Ave., passed away on Jan. 20 in a hospital at Kieko, Mexico. She had suffered a heart attack while visiting in Mexico City.

Mrs. Hadlock was a member of the Woman's Club, the Dickens Fellowship and American Legion Auxiliary.

She had been on a two-week tour of Guatemala and Mexico City, with her two sisters. The body was flown for burial to Wabasha, Minn., where burial was made last Tuesday, Jan. 23.

'Killer Flood' Possibilities Before Solons

By Sewall Clark

Protection against bolting water, mud and rocks in certain sections of Sierra Madre was City Council's main theme Tuesday night.

Although temporarily frustrated in its attempts to gain immediate cooperation from land owners where "check-dams" and berms for controlling the flow of rushing water might be established, Council showed eagerness to arbitrate and save taxpayers' money from court procedures that otherwise might be necessary in order to force cooperation in safeguarding the lives and property of others as well as their own.

Several times on the verge of voting condemnation proceedings against the Passionist Fathers Monastery at 700 N. Sunnyside, councilmen referred the question to City Attorney Charles R. Martin who advised that such preparations could be made in the city's attempt to provide proper flood controls but that a margin might be allowed for further efforts to make out-of-court agreements.

IN OPPOSITION to this delay, Mayor W. Webster Vannier commented: "In the meantime, the weather marches on."

Councilman Severin L. Sorensen gave a calming influence to the touchy situation of discussing ownership lines and "land rights" by

Lee Shippey Writes On The U. N.

I DON'T KNOW just what lovable Gene Lockhart, June's daddy, had in mind when he wrote "All the World Is Waiting for the Sunrise," but I am convinced that all the world was hoping for the dawn of a new era in civilization when the League of Nations was formed, looked forward to it with even higher hope and faith when the United Nations was formed, and if we let dark clouds and personal and national selfishness prevent that dawn in this generation we are in grave danger of another world holocaust, after which we will have to start all over again to plan a system of settling conflicts of interest by legal means instead of by force, a system so just to all, so reasonable and so necessary that all great nations, including ours, will abide by the rulings of its World Court, without veto power.

OF COURSE there are tremendous obstacles, just as there were when 13 American Colonies won the Revolutionary War. Conflicts between the states arose which threatened to develop into actual war. If that had happened the disorganized states could have been eaten up one by one.

The British in Canada, the Spanish in Florida and the French in the Mississippi Valley all had claims on territory with vague boundaries which we claimed.

But our wise and perceptive men saw the need for a central authority. They agreed to a compromise. They agreed to a compromise. They agreed to a compromise.

Snowballs In Sierra Madre

Rain, Snow, Hail Pelt City and Area

The weather gods blew in a klaediescopic potpourri of rain, snow, hail and wind on Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Rosemead-Foothill areas during the weekend and Monday, mixing the medley with ponderous peals of thunder and flashes of lightning.

Ordinarily the snow came down to the 1,200-foot level but some gusts into Sierra Madre's northern sections. Dr. Paul Narcowich's youngsters chucked snowballs at each other Sunday afternoon at their home at 340 N. Sunnyside.

Charlton Flats Road as far as the Rangers Station was closed so that the Highway Patrol could get marooned vehicles out of the iced-over area. Previously, a slide had covered half of the Charlton Flats road just south of the Sierra Madre city limits.

SIERRA MADRE reported 3.17 inches of rain in the downpour which began early Saturday and then developed into snow in the mountain regions Sunday, and again rain and heavy hail in this city Monday afternoon. This brought the season total to 8.77 inches, compared to 4.16 inches at the comparable period a year ago.

'Contributions To Courage' Drive Launched By Paper, Officials

Sierra Madre's Search and Rescue Team has fame — now it needs finances

In other words, this aggregation of hard-bitten mountain men whose rescues of men, women and children, are legend, is stone broke.

It needs YOUR help—the help of devoted people in Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Rosemead-Foothill areas.

Will YOU give a buck (\$1) to help raise \$1,500 to defray the expenses of the Search and Rescue Team for one year?

Of course, you can give more if you wish, and we hope that you do, but if every adult resident in the 6,000 homes in this area

Will You Give at Least One Buck?

I hereby give the sum of **ONE BUCK (\$1)** toward the "CONTRIBUTION TO COURAGE" Fund designed to raise \$1,500 with which to purchase equipment and supplies for the **SIERRA MADRE SEARCH AND RESCUE TEAM.**

NOTE — You may contribute more than \$1, if you wish.

Mail or bring all contributions to Ed E. Herwig, Editor and Publisher, **SIERRA MADRE NEWS**, 9 Kersting Court, Sierra Madre, Calif.

How YOU can do this will be told later in this article.

SHOES FOR THESE vigorous Search and Rescue Team men cost \$36 a pair—and they wear out fast.

Nylon ropes used in hauling marooned and distressed persons out of canyons and over the craggy ledges cost plenty—they, too, wear out quickly.

Other supplies—litters, lamps, gloves, even medical supplies, all cost plenty.

Through the years, Rescue Team members have been meeting these expenses themselves.

Now they find that because of the higher costs they are unable to continue this financial outlay.

And they ask **YOUR** financial help.

Here is what you can do:

Cut out the coupon here printed, fill it out—it is extremely simple. Sign your name, put **ONE BUCK (\$1)**—Check or currency—in the envelope and mail it to the following address:

Vt. Governor Offers Gift To Hospital

Janice and Sam Rushworth of Chelsea, Vermont, could not be present at Arcadia Methodist Hospital Monday for presentation of a gift in memory of their son, Michael. But I'm sure they'll be pleased when they hear details of the simple ceremony which brought together 22 Californians and Vermonters in loving friendship for them, and in tribute to Michael.

Vermont Governor Ray Keyser, Jr., long-time friend of the Rushworths said:

PLAZA SHOP TALK

By Sewall Clark

SOMEBODY ASKED: "Clark, why do you write such a wacky column?" My answer was: "Because I can't help it."

Later, thinking upon it — and, after all, you can't help but think about things like that — I decided I had proven myself an honest man.

WHAT IS honesty? I believe there are two kinds; one that is taught, the other that comes naturally. The first, I believe, is technical and must be constantly disciplined, like a polo pony. The other is without effort because it is a part of you the same as blinking your eyes or breathing.

THIS GUY, mark you, was arguing that I should talk more about dresses and the unbelievable, low prices we have on women's wear which you may find only in the most expensive shops. (How do we do it? Don't ask. Too complicated to explain.)

"LAY OFF this yakyak about the brotherhood of science and religion and birds swimming in the sky," he says. "Stop talking about the miraculous, spiritual part of our lives and TALK ABOUT DRESSES!"

SO I'M TALKING already. Yes, we do have beautiful garments at the Plaza Shop. No, they are not stolen goods (except when the customers buy them).

YES, it's because my wife, Trudie, is a charter member of California Fashion Designers and she was once a dress manufacturer and her designs sold to I. Magnin, Neiman Marcus, and the people in the business just plain love her, and that is why we are able to get very special "buys" once in awhile if we get up early in the morning and work like crazy just to get a handful of garments.

OKAY, OKAY — yet; I like (or at least I try to understand) everybody. And that includes birds swimming in their element and fishes, too.

Remember that air and water are part of "the precious stuff that life is made of" — and have you noticed the sunsets lately?

Festival Chambers Players To Offer Musical Programs At 2 Sierra Madre Schools

Coleman Chamber Music Association, sponsoring a series of school concerts, will present the Festival Chamber Players of California in concerts at Sierra Mesa and Sierra Madre Schools next Monday, Jan. 29. They will appear at Sierra Mesa at 9 a.m. and Sierra Madre at 9:50 a.m.

This outstanding and unusual organization is directed by Raymond Menhennick. The players are Dorie Rutter, oboe; Julian Spear, clarinet; Charles Gould, bassoon; Murray Shapinsky, double bass; Ray Menhennick, viola, and a violinist, Howard Griffin, who will join the group for the Prokofiev Quintet.

The programs will include works by Mozart, Alvin Efler, Villa-Lobos, Randall Thompson, Prokofiev and a woodwind demonstration of such rare wind instruments as the heckelphone, bass clarinet and contrabassoon. Students will be invited to ask questions about the music and instruments.

MR. MENHENNICK and his players are a group of professional musicians who have had the belief for some time that children could and would enjoy chamber music if given the opportunity to hear and understand it.

The Festival Players organized with one purpose in mind—to interest children in good music, by presenting well-played programs demonstrating a variety of instruments, color and combinations of tone.

As an experiment, the Players, last year, packed their music and instruments and journeyed to Ensenada where they offered to present a program at the high school, as a "goodwill gesture" from their northern neighbors.

The Town Dance Hall, only sizable and available place for the concert, was filled with eager children (many barefooted), who listened attentively and with keen interest. A similar experiment was tried at an Orange County High School

where it was well received by appreciative students.

THE FESTIVAL CHAMBER Players hope that in the near future they can further stimulate interest in good music, by arranging competitive auditions within schools. The students who display the most talent then will be invited to participate in a program with the professional musicians.

This idea was carried out during a summer session at Los Angeles State College, with most rewarding results. Mr. Menhennick and the members of this musical group are dedicated to their goal of not only encouraging young people with talent, but attracting all children to hear and enjoy music.

This will be an excellent opportunity for our children to hear a small orchestra perform, with unusual instruments and musical combinations.

GOOD TIME was had by all when the San Gabriel Valley Hadassah held their Youth Aliyah luncheon at Masonic Temple, San Marino. Sitting are Mr. and Mrs. Louis Joseoff, long beloved for their philanthropic work. Standing, from left: Mrs. Lester Rosenthal, Mrs. Elmer Zellman, Mrs. Max Schenk and Mrs. Laura Merson, the latter of Sierra Madre.

4 Members Of Wood Family Will Again Take Part In Pasadena Chorus Offering

Four members of the choral-minded Wood family of Sierra Madre, Mrs. H. Randolph (Janet) Wood, her sons, Alan and David, and Mrs. David (Constance) Wood, are beginning another series of rehearsals with the Pasadena Chorus in preparation of Honegger's "King David," to be presented in May by the Pasadena Symphony, soloists, narrator and chorus with Conductor Richard Lert.

Chorus rehearsals are held every Monday night at 7:30 o'clock in the Music Building at Pasadena City College. Singers in all voice

parts are invited to join the Chorus.

THE CHORUS, now in its 26th year under the direction of Richard Lert, is an unending course in music history and appreciation, as well as an opportunity for really thorough study of the great choral works.

Experienced and inexperienced singers will find this a most rewarding opportunity for study and enjoyment. Singers are invited to come directly to the rehearsal room on Mondays.

Menus For Our Schools

THE SIERRA MADRE NEWS has arranged with Pasadena Elementary School District authorities to present each Thursday the menu which for the ensuing week will be offered in the cafeterias at Sierra Madre and Sierra Mesa Schools.

MONDAY—Chicken and noodles, spinach or mixed vegetables, orange wedges, French bread and butter, milk.

TUESDAY—Hamburgers, string beans, carrot wheels, apricot compote, milk.

WEDNESDAY—Chili beans, green salad with shaker dressing, corn, cherry cobbler, corn bread and butter, milk.

THURSDAY—Lamb in brown gravy, rice, peas, cole slaw, cake, milk.

FRIDAY—Oven grilled fish, hash browned potatoes, beets or broccoli, lettuce wedge, chocolate pudding, roll and butter, milk.

Youth Program By Harter Group

The Arcadia-Temple City Union of the Pasadena Federation of the Woman's Christian Temperance Union will unite with the Harter Union of Sierra Madre in a Youth Program to be held Jan. 25 (today) at 7:30 p.m. in Bethany Church, 93 N. Baldwin Ave.

The Sierra Madre Union will present special music. Mrs. Esther Dewey, Radio and TV director, will speak and show pictures, her son assisting. Five students from three high schools will participate in a Gold Medal Speech Contest on liquor.

Refreshments and a social hour will follow. The public is cordially invited. Mrs. Bernice Thew is president of Harter Union and her phone number is ELgin 5-9292.

Sue De Weese On World Trip

Krutch's Are Honored On Their Silver Anniversary

Mr. and Mrs. John Krutch of 435 N. Canon Dr., Sierra Madre, were taken completely by surprise when they arrived home Saturday night to find their home filled with relatives, old friends and neighbors.

The living room and family room were gaily decorated with streamers and balloons hurriedly put up by neighbors and guests during the Krutch's three-hour absence from home.

The Krutch's two daughters, Diane Krutch and Mrs. Marilyn Dick, had spent many weeks preparing and planning this surprise for their parents in honor of their silver wedding anniversary Jan. 30.

CENTER OF ATTRACTION in the family room was the candlelit buffet table with the centerpiece a shimmering silver-sprayed manzanita tree covered with silver dollars hanging from its branches.

This lovely tree which was artistically created by Donald Dick, son-in-law, was presented to the Krutch's by the guests. Other lovely gifts of silver also were received.

It was a wonderful party complete with a large crystal punch bowl on the bar brimming with sparkling pink champagne and table filled with hors d'oeuvres, turkey, ham and casserole dishes.

Lively chatter, games and dancing were enjoyed until

TELEPHONE REPRESENTATIVE

A very special title for a very special job. Telephone Representatives are highly trained, thoroughly qualified salesmen. They have complete, up-to-the-minute knowledge of the most modern communications equipment and service available. And they know how to adapt it to your specific needs, whether in your home, office or factory. Their ability to analyze a customer's communications problem and to recommend the right equipment is an important part of the service we provide. On highly complex assignments—a new hospital, business office or important government project—the telephone representative works as a member of a team cooperating with other company personnel, each a specialist in his own field. And, it's part of their job to plan ahead with architects, engineers and builders to make sure that the communications equipment installed will meet the growing demands of its users. If you're building a new home or factory or remodeling your present office or plant, have a talk with your local Telephone Representative. His knowledge of telephone equipment and services can be your assurance of the best possible telephone service at the lowest possible cost.

The day President Kennedy announced his astronomical \$2 billion dollar budget I happened to be wrestling with our family budget. It's obvious the President and I have much in common — we're both spending more money than we take in.

Mr. Kennedy thinks he can balance his budget if postal rates are increased. Now the thought has occurred to me more than once, that I needn't "rob Peter to pay Paul" each month, if our income were increased or taxes reduced.

I mean no disrespect. The President has a tough problem, but he does have Congress to help him find a solution. Indeed, he may ask the gentlemen of that august body to hike the national debt limit. I suppose I could seek a similar solution or even declare bankruptcy.

However, I'm impressed by a story I've just read about a "penny-pinching" Vermonter named Calvin Coolidge. Seems old Cal believed in "pay-as-you-go" rather than the "spend now, pay later" plan.

Too bad I didn't take a page out of Cal's book before succumbing to those persuasive pre-Christmas advertisements. So belatedly imbued with a bit of New England frugality, I'm determined not to ask my creditors to hike my debt limit. Furthermore, I'll endeavor to pay in full before my children or my children's children are required to pay for my extravagances. Again, I repeat, I mean no disrespect; but if the President suffers from similar mid-January regrets perhaps he too would benefit from reading about "old penny-pinching Cal."

"FOR HE'S A JOLLY GOOD FELLOW" sang our friends of Noel Livesay when he opened the door to an impromptu "apartment warming," last Friday night. The delightful and VERY English Mr. Livesay is a 3rd grade exchange teacher at Field; and I heartily recommend all seek an opportunity to meet him.

Guests laden with a wide variety of food gifts surprised him while he was dining with the Harold Berg family.

Before the evening was over, all visited his snug guest apartment above the Berg's barn. Incidentally, Mr. Livesay was not the only star of the party; Melba Berg and Ole Mangan did some duo banjo strumming!

Invited guests included Wyman Williams, Howard Switzer, Joe Mangans, George Wengers, Warren Dunning, Phil Saurenmann, John Frickes, Skipper Rostker and Charles Goldsworthy.

OWEN PERRY, Rancher and Field teacher writes from England where he's teaching Mr. Livesay's class that his new students are "delightful children." He notes however, that he misses audio-visual and other teaching materials. Mr. and Mrs. Perry and their two youngsters traveled on the Continent during the Christmas holidays and look forward to doing so again in the spring.

MARGY JOHANSEN, popular prexy of Hastings Ranch Nursery School Association, will be sorely missed when she and daughter Lauri move to a new home in Monterey Highlands in May. Sweet and soft-spoken, Margy is a conscientious person who always gets the job done.

June and Harry Rogers, (he's a pump company executive), have purchased Margy's home at 3775 Fairmeade. They have two children of elementary school age. Mrs. Rogers is completing her practice teaching at UCLA this month and will teach in a San Gabriel school.

KING NEPTUNE'S COURT at the equator crossing was the humorous initiation cleverly written and directed by Janet Lord and Peggy Smyth for Clipper Club officers at Trinity last week.

The new Skippers are George and Jackie Starrett and their crew includes Dotie and Al Korngebel, Laura and Wayne Brannon, Margie and Bob Campbell, Freda and Jim May.

Can't resist sharing a bit of wit — The Prosecutor for the Crown, Joe Smyth, speaking of Freda May, Joe Mendez, Pat Thomson and Ann Albee, (all minus their husbands for the evening), tells King Neptune, "These ladies are truant, sire, proclaim a punishment, most dire, from their household chores they have run away

SKIPPER ROSTKER, Hastings Ranch insurance man, has been elected president of the East Pasadena Democratic Club. Rostker issued an invitation to Democrats living in the eastern part of Pasadena to take an active part in politics. He may be reached at 3426 Barhite, Hastings Ranch (Pasadena).

to sail on our clipper ship today.

Hap "Neptune" Lord boldly replied, "For wanting to see me, I can't blame them, and yet I think there's need to tame them."

This he proceeded to do — and the antics have been recorded on film by Jeanne and Don Davis. The nautical evening included a delicious fish bake provided by the galley crew, (and outgoing skipper), Jane and Bob Jones, the Campbells and Davises.

PHENOMENAL CALIFORNIA WEATHER — snow falling on my garden of blooming roses, camellias, geraniums and snap dragons. Now what state could possibly top that! And like many another Ranch family we have a jolly snow man, (complete with raisin eyes and top hat), reclining in our freezer.

Monday was the weather-kind of day that should occur at least once for every Southland youngster. Most 3rd and 4th graders were joyous when school first let out during a hail storm and windshields on their mommies' cars were covered with snow.

The Wayne Brannons took daughters, Larayne and Lynette, and Kitty and Kelly Coates to the top of Fair Oaks for a romp in the snow last Saturday.

The girls divided their snowman in half and Larayne took Mr. Snowman's head to school. I understand the body is still in the freezer — a natural for snow comes next July!

Meanwhile the William Solaini family on Riviera complained of too much snow in the mountains for skiing last weekend. The weatherman simply can't please us all!

Sometimes life can be so frustrating! It was with mixed emotions that I faced the fact that jiggling the switch would bring no answering light and power last week. A sink full of garbage with no place to dispose of it, a gleaming monster of a stove with absolutely no use and a refrigerator that would soon cease to refrigerate, plus a rapidly cooling house because fans on the furnaces would not circulate.

Well, I tell you, the old pioneer blood coursed through my veins as I prepared to make do with the primitive things of life.

First, after answering the telephone several times, I packed in the wood from the garage, that is, I turned on the gas fire starter and there I was with a fire that would make any Boy Scout green with envy, turned on the transistor radio and was ready to settle down with a candle.

Phoohey! By the time I did all of that, the lights were on again, and there goes my pioneer spirit with the flick of a switch!

THE ANNUAL BOARD meeting and election of officers for the Mira Loma Mutual Water Company was held at the home of Chesley Osburn on Edge Cliff Lane. New officers will be Mervin Grizzle, president; B. A. Rogers, vice president; Mrs. Ben Rogers will remain as secretary-treasurer, and the balance of the Board of Directors will comprise: Chesley Osburn, Phil Saurenman, Dr. Ralph Rogers, and Nor-

man White, former president. John Griffin will again serve as water company superintendent.

of Mr. and Mrs. Harry Pulaski of Doyné Rd. Their daughter and son-in-law, Mr. and Mrs. Russell Stuart (the former Marilyn Pulaski) have just presented them with their first grandchild, a little girl weighing in at 6 pounds, 3 ounces, on Jan. 13 at Altadena Community Hospital.

Best of all, they are staying with the Pulaskis for a few days before returning to their Monrovia home. How's that for lucky grandparents. The baby has been named Sharon Lynn.

WHEN I HEARD all details of the luncheon at the Villa Mesa home of Mrs. Roy G. Johnston it made me feel good all over. There were 30 women of the Lydia

Circle Guild of the Mission Covenant Church present.

They brought lunch, and the purpose was to honor and listen to the message of Miss Eleanor Pearson, a missionary registered nurse.

Miss Pearson has been working for six years in a Pusan orphanage in Korea. She came dressed in the native Korean attire which consisted of a mulberry silk print with a separate bodice edged in fur.

Her shoes were the typical rubber shoes of the country, white, with turned up toes, and white stockings.

She is the nurse that handled the adoption proceedings of the quadruplet Korean babies who were adopted by a couple in Chicago. All in all there are about

240 little orphans in their ever-growing orphanage which only a few years ago had the facilities to accommodate no more than a handful.

These children are nursed and cared for as well as educated to the practical things of life that will prepare them to take a responsible place in society.

Miss Pearson showed slides of the children as they entered the orphanage more dead than alive, and then shots of how they had blossomed into good health with love and care.

She will be on a furlough for a year in this country and then return to her babies across the sea.

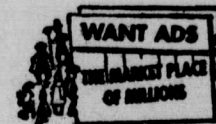

The centerpiece for the luncheon was made by Mrs.

William Johnson and depicted a scale model of a Korean scene complete with tiny figurines.

Mrs. Johnston's other bit of news was that Judy was in town briefly to recover from an attack of appendicitis. She returned to Westmont College for her sophomore mid-term exams on Sunday.

100 Guests At Meeting Of Cub Pack

The monthly pack meeting of Cub Pack 381 was held at the Sierra Madre School Auditorium, Friday night, Jan. 19. Den 1 opened the ceremonies by presenting the colors. Three new Bobcats, Bill Hartly, Steven Moore and John Wilder were inducted.

The meeting was well attended with more than 100 guests and Cubs. Den 2 won the attendance award for

the largest number of guests present. An amusing skit was presented by Den 4 which depicted the monthly theme of "Knights of the Roundtable." The boys made their shields, spears and helmets, which they used in the skit.

AWARDS were presented to the Cubs of various dens for achievements accomplished in the last few weeks.

Last month new officers and committee members took over their respective jobs. Kent Taylor is the Cubmaster and promises to give

Pack 381 a real boost this year. He will be ably assisted by the following committee members:

Committee chairman, Harry Young; secretary, Betsy Young; treasurer, Frank Cosso; awards, Bill Messersmith; sustaining membership, Don Stewart; Den Mother chairman, Viola Ross.

THE PACK wishes to extend a vote of thanks to the retiring committee members and Cubmaster Mark Schaffer, who did a fine job last year.

The Cubs and their fathers participated in two special outings this month. Last week they toured the Long Beach Harbor and were shown through a Navy destroyer. Earlier in the month, they enjoyed a hiking trip to Sturtevant Falls.

Three Affected By Escaping Gas

Mrs. Nancy Flores and her two children, Suzanne, 2½, and Louis, 13 months, were partially affected by gas escaping from a refrigerator at their home at 86 N. Lima, Saturday morning.

Police Officer Kit Sanders, using a resuscitator, revived the three without difficulty. While the apartment was being cleared of fumes, Mrs. Max Green of 75 N. Lima, provided food and shelter for the Flores.

'Dirt Delivered' Project Success

The city's "dirt delivered" project has proved successful, Public Works Supt. C. A. Barkmeyer announces.

Many Sierra Madreans have profited by the city's offer to deliver free to their properties dirt gathered by

the Public Works Department following recent rains. Now Supt. Barkmeyer has some "wash-out" dirt he is anxious to dispose of the same way. Just call City Hall, leave your name, address and phone number as well as where you wish the dirt dumped. Some 428 loads of dirt were delivered. Estimated dumping charge would have been \$3 a load, this representing a total of \$1,284.

Michael D. Brandt Claimed By Death

Art, Writing Wonders to Be PT Topic

"The Wonder World of Art and Literature" is the topic at the regular meeting of our Parent Teacher Association on Thursday night, Jan. 25, at 7:45 o'clock in the John Marshall Junior High School Library.

Features will be a talk by Mrs. Gladys Weldon, Marshall's school librarian, who will discuss "The Value of the Literature in the Home." Special guest will be Mrs. Jane Morse who will speak about the "Art Opportunities for Families in the Home and Community."

Mrs. Morse is an art teacher and founder and director of the Creative Arts Groups in Sierra Madre; also a former substitute art teacher in the Pasadena Schools and originator of the Arcadia Children's Little Theater.

AN EXHIBITION of art will be on display, by the students as well as parents, which has been done at home and in classes available in the community, such as their own works of art (painting, ceramics, sculpture, woodwork, weaving, knitting and embroidery).

The program is supervised by Mr. Flock, art teacher at Marshall Junior High School, working in cooperation with Mrs. Lewis George, art chairman, and Mrs. Claude H. Brown Jr., program chairman. The public is welcome.

Home Work Act Change Is Sought

The home delivery provisions of proposed amendments to the home occupation ordinance before City Council were given another twist at last Thursday night's City Planning Commission meeting.

Council, in efforts to tighten up the ordinance, agreed on the following provisions:

"1.—It shall not generate pedestrian or vehicular traffic beyond that normal to the residential zone in which it is located.

"2.—It shall not involve use of commercial vehicles for delivery of materials to or from the premises."

THE PLANNERS recommended to Council that there should be inserted a simple proviso barring heavy delivery to or from homes where home occupations are followed.

The Buchan tract request for extension of a variance on Lot 14 and portions of Lot 15, Hosmer tract, Block 2, Northwest intersection of Orange Grove and Baldwin, was granted.

Little League Budget Given Auxiliary OK

The Woman's Auxiliary of the Sierra Madre Baseball Association met in Park House Wednesday, Jan. 17, with the hostess, Mrs. William H. (Ann) Neely, providing a cheery fire in the fireplace and refreshments for members and guests.

President Mrs. Chester (Virginia) Lighthizer welcomed new members and introduced guest speaker Paul Westman, Little League president.

Mr. Westman reported there was only one sponsorship opening for a league team this year and that it would be filled on a first-come, first-served basis.

He pointed out that the Little League program cost approximately \$15 for each boy, and although sponsors' fees cover a fair portion of those costs, Little League was looking to the Woman's Auxiliary to help make up the difference.

MR. WESTMAN then introduced Little League Vice President Bud Hartman. Mr. Hartman presented the Little League Budget for the 1962 season. The budget was accepted and unanimously unwritten by the Woman's Auxiliary.

Mrs. Lighthizer announced that there would be only two fund-raising projects for this season. First will be the annual Booster Ticket sale, with Mrs. Robert G. (Jeanette) Austed and Mrs. George (Nancy) Throop in charge.

Last project will be the "Baseball" chairmanned by Mrs. James (Florence) Fisher, Mrs. George (Sally) Roane and Mrs. James (Rosemary) Abernathy.

If you have a boy who is interested in Little League, please call Mrs. William (Phyllis) Bennet, EL. 5-8426.

suggesting: "Let's find the areas of agreement."

At another time when Victor Daniels and Mrs. Gladys Carter were refusing to sign the Council's terms concerning plans for new check-dams in their areas, Sorensen remarked that the problem might be solved if a few beavers could be imported to that section, gnaw down a few trees and build a natural dam — without legalities or red tape.

DURING THE SESSION, attended by Father Pius, a quiet-spoken man identifying himself as Dick Beaumont said that he and his neighbors in the Edgeview area were much concerned about the possibility of

"killer floods" with smashing boulders. He ended his brief address to the Council's table by saying he felt that any person, or any organization, unwilling to cooperate in the protecting of lives and property would be placing selfishness ahead of moral obligation.

AS FOR THE "Report on acquisition of property for Suffolk extension," Paul W. Case, owning a bit of land apparently necessary to the project, seems to be giving Council a mood of uncertainty. Councilman Lorraine W. Lisle expressed the opinion that Case had "backed down" on the "cooperative theme."

Lisle said Case is now asking \$825 for the projection of land to be used after agreeing to settle the dispute in a spirit of compromise.

After a discussion of the costs of court proceedings, all at the Council table agreed to offer Case \$500, and "see what happens."

We still had differences—two states refused to join the Union for a couple of years, and we still have arguments on constitutionality.

But we have made it work better than any other system ever has worked. I believe we can make the United Nations work the same way, and if we don't do it now we will not only regret it but will have to do it later on.

SPEAKING for myself, I have such faith in our country and in the basic decency of humanity, no matter how some people are misled at times, that I hope our country will continue to lead the march toward that dawn as it has been leading ever since 1776.

All the really great figures of both our political parties, from Taft and Vandenberg down to now, have felt that the United Nations is the hope of the world.

Let us not forget that our Constitution had its faults and failures, but we corrected them. Our nation inspired the United Nations, our great patriots of both parties joined in creating it. Let us not even dream of deserting it now.

DEBRIS AND WATER damaged the rear of the John Gruszka home at 695 Edgeview, which with Michillinda and N. Sunnyside constitute the flood-danger area in the western section of the city.

Another trouble spot was just below the 800 block on N. Auburn. There mud block the street for a while and the Tony Bassity, J. H.

City Administrator Lawrence E. Bevington and Public Works Supt. C. A. Barkmeyer alerted all public works employees to the task of clearing the streets. Police Chief Gordon McMillan also put all available patrolmen on duty.

The weather cleared Tuesday and Wednesday, the latter marked by heavy wind gusts through the night which scattered tree branches and other debris about the streets.

the generosity of Californians to the Rushworths became known in Vermont, the impact was felt throughout our state."

GOVERNOR KEYSER made it clear that he had come to Arcadia not as a governor, but as a personal friend of the Rushworths, and to deliver from them a check for \$500 for the hospital chapel, which is shortly to be constructed. "May this gift comfort the troubled who enter the chapel to meet their God," he declared.

Walter Hoefflin, hospital administrator accepting the

gift said: "People usually stay six or seven days in a hospital. Michael touched everyone, and when he finally left us after 35 days, the entire hospital was deeply saddened. It's unfortunate this fine young man lost his life, but we know his memory will live on."

Janice and Sam Rushworth sent this message to Californians:

"We are indeed grateful to all of you for your gifts of money and time spent in our behalf. Despite the great loss we suffered in California we shall never forget the kindness and concern shown us by you people. Thank you and God bless you."

GOVERNOR AND MRS. KEYSER were in the South-

land to attend the National Junior Chamber of Commerce convention. The governor was honored as one of the ten Outstanding Young Men of the Year.

The Rushworths had expressed a desire that Governor and Mrs. Keyser meet and become acquainted with their California friends. And so we did, during an informal gathering in the hospital library, and have recorded our meeting in an album of messages and pictures for the Rushworths.

Among those present from our area were Rev. and Mrs. George Lindsay, Mr. and Mrs. William Pursley, Mr. and Mrs. James Kennedy, Dr. Shirl Evans, George Wenger and Joe Kempert.

'Contribution To Courage'

In this issue the SIERRA MADRE NEWS launches a campaign to raise \$1,500 for the famed Sierra Madre Search and Rescue Team.

This is to be a continuing factor, year after year, inasmuch as these Mountain Men, who never before have asked public assistance, find themselves "strapped" financially.

Up to now they have paid for their own shoes which at \$36 a pair, wear out speedily in the steep Sierra Madres. They have paid out of their own pockets for the costly nylon ropes and other materials used in effecting their numerous life-saving rescues.

NOW THE TIME is here when it is felt that the public can give modestly, at no appreciable sacrifice, toward the support of these fine, hardy men who have brought fame to the community and widespread respect and admiration for themselves.

The SIERRA MADRE NEWS proposes a \$1 Per Person campaign. People can give more, if they wish, but it is hoped that every Sierra Madren will contribute at least \$1. If they do this the fund can be easily — and satisfactorily — raised, with no heavy drain on anyone.

Details of how you can make this "CONTRIBUTION TO COURAGE" will be found on today's Page One.

Read it, then take \$1 and mail it to the Search and Rescue Team Fund, Care the Sierra Madre News, 9 Kersting Court, Sierra Madre, Calif.

YOUR CONTRIBUTION will be turned over to Lawrence C. Bevington, Sierra Madre city administrator who will keep track of the money deposited in a bank. This newspaper will make a weekly accounting to the people.

Join the contributors to the "RESCUE TEAM COURAGE FUND" today.

Knight's Withdrawal

Three weeks ago this writer advised former Governor Knight, both because of his health, and for sound strategic reasons, to withdraw from the Republican gubernatorial race.

We knew that his splendid wife, Virginia, wished it so, and in addition, it was becoming patently manifest that the Republican machine, inept that it is, had enviously stacked the cards against him in favor of Nixon.

Being the valiant political warrior and strategist that he is, Governor Knight might have bested Nixon in the June primaries, mainly because of his ability to attract Democratic votes — Democrats who would have registered Republican in order to support him.

BUT HIS HEALTH intervened and now it will be well for him to stay aside, take no part in the campaign, recover his health fully and watch for future developments, for the state needs the services of such able leaders. If Nixon is defeated by Governor Brown next November, and this certainly is possible, Nixon is done politically, both in this state and nationally. Then Knight would be in the Republican saddle with a clear-cut gubernatorial mandate four years hence.

Also he could settle scores with what he terms "the little dinky Republican organization" which "ran him out of the Governor's office" in 1958 in favor of Knowland, inept, cumbersome and doomed to the decisive defeat he experienced, one which threw the Republican Party out of power in California for the first time in 30 years.

The so-called Republican leaders who engineered this deal included Nixon, Knowland and the "Barons of Spring Street" in Los Angeles.

AS FOR the gubernatorial candidates who remain in the race, Assemblyman Joseph C. Shell, former Lt. Governor Harold J. Powers and Nixon, we believe that Shell with his vast experience in state government, is best fitted to fill the Governor's chair at Sacramento. However, we have not yet committed this newspaper to any of the three.

Expanding Mr. Jackson

Mercantile and civic enterprise can go hand-in-hand. A merchant who through wise management makes his own institution prosper and then, in the spirit of civic as well as self-interest, expands his operations, is well worthwhile in any community.

Don Jackson who has conducted a high class men's store in Sierra Madre for many years, is such an example. Recently, he widened the scope of his operations—in Sierra Madre—to include a young man's store farther up West Sierra Madre Blvd. It's a spanking good store for young men and also older fellows with young ideas, and we bespeak for it the utmost in patronage.

May Mr. Jackson and his smart shops long prosper.

'Voice of the People'

Samuel Lubell is among our foremost—and extremely able — political writers. First, he is thorough, carefully organizing his work. Secondly, he is perceptive, gets around the country almost constantly and keeps his ear to the ground, especially as regards people, for he recognizes the vital fact that it is the people who speak at election and determine its results, either for good or ill.

Recently, in one of his articles he voiced this as coming from a 45-year-old engineer: "At my age I never thought I'd write a letter to the President. But the other day I just had to do it. I asked him: 'Why don't you demand more from us to save the country?'"

This brings into focus the fact that many Americans, figuratively, are itching to get off their seats onto the playing field so that they can "battle hard for peace," or

Ascension Of Unruh Demo Highlight

By Edwin S. Carps
(Capitol News Service—
Special to the Sierra Madre News)

SACRAMENTO — Something of a pinnacle in legislative annals may have been reached recently with the testimonial dinner in Los Angeles honoring Assemblyman Jesse M. Unruh, D-Los Angeles, now powerful speaker of the Assembly.

At a time when testimonial dinners for candidates are being run somewhat into the ground, the Unruh affair set a pattern which many would like to follow but which few will. Estimates of the attendance ran from a conservative 1,500 to a more generous 2,500.

This reporter noted some tables marked as high as Nos. 321 and 322 and, with 10 persons at most tables, it was quite a crowd, no matter what the estimate.

THE DIFFERENCE between Unruh's dinner and many others was that, although the sponsors were no doubt enthusiastic in selling tickets, there probably was more than the usual response. Even though the tariff was high for the affair (\$50 per plate or \$500 per table), it was reported to be a sellout, with little of the arm-twisting that is common in some of these affairs.

The Jan. 11 issue of the SIERRA MADRE NEWS, published an editorial, "No Time For Flippancy," dealing principally with "smoke-screening" in regards to arguments about the Communist issue in our country. The editorial centered about a Letter to the Editor written by Dr. Peter Fay, Sierra Madre and history teacher at Cal Tech, in which he complained about Project Alert in Los Angeles and of how he found it bothersome.

Ordinarily, the SIERRA MADRE NEWS does not publish unsigned letters, but it feels that it should pass along one — unsigned — as a typical example of "smoke-screening."

We'd much more appreciate it if the writer had discussed the Khrushchev-Molotov-Peiping chism — if he or she could justify either side. In radical "ideology" they could find a means to justify the Red split, but in the eyes of sound-thinking Americans, we doubt it. The letter follows:

"Just picked up a 'S. M. News' from news stand. Same old stuff. An editorial using some moderate speakers' quotes to sell an extremist's idea. This time we must be militant about freedom."

"Belligerency is freedom confined by force. By being militant we dilute freedom

"for something that will make a difference."

Making due allowance for "Monday morning quarterbacking" there is something every American can do. He or she can write their senators or representatives and to the White House itself, detailing their viewpoints, especially on Communism and the inroads of subversives in Washington and in our own areas.

What is needed is a frontal assault from and by the people to indicate to President Kennedy, his advisors and our lawmakers what the people of this nation really want and how they think it should be achieved. Through this — and don't imagine that the Voice of the People cannot be heard over in Washington — the Ship of State can steer a much safer and more efficient passage through the darkening present-day shoals.

Thus, even though the orator's immediate predecessor, cation may have been well punctuated with dollar signs, many of those attending actually seemed to be there with the idea of paying tribute. And this, after all, was the original theory of such testimonials, difficult as this may be for some of the more hard-pressed donors to realize.

A mark of the esteem in which Unruh is held in many quarters was the presence of Larry O'Brien, assistant to President John F. Kennedy. Unruh managed the Southern California campaign for Kennedy in the 1960 race and, while he failed to deliver a majority for the President, they are said to be much impressed with the way he handled himself.

SENATOR HUGH M. BURNS, D-Fresno, president pro tempore of the Senate, who is not much given to attending such affairs, also was in attendance as, of course, were Governor and Mrs. Edmund G. Brown. Those who attended the Unruh dinner, at the plush Beverly-Hilton, were treated to tops in entertainment, with Frank Sinatra and Buddy Hackett. Their performances were expert if rather impersonal.

There was evidence during the evening of the new

image Unruh is trying to present to the people of himself. The nickname of "Big Daddy," a term Unruh is seeking to forget, was not mentioned once during the evening. A large photograph of Unruh was behind the head table and there were several who mentioned they hoped he would comfort himself during the coming legislative session as benignly as the photograph would indicate.

IF SUCH A LARGE, well-attended and well-financed testimonial dinner seldom has been seen for a legislator, it probably is because seldom has a legislator ascended to such potency in so short a time. Unruh's power, and his willingness to use it before he became speaker, have caused considerable speculation as to how he will fare with the State Senate, a group jealous of its important role in making state laws.

One oversight at the dinner party, perhaps overlooked because of the need to speed the program along, is that no dignitaries other than those at the head table were introduced. While it would have been impractical to introduce all the names at the dinner, some felt recognition should have been given to legislators attending, including Appellate Justice Ralph M. Brown, Un-

OUT OF THE COBWEBS

37 YEARS AGO THIS WEEK, Jan. 30, 1925 — Announcement was made at the meeting of the American Legion Wednesday night that there is a movement afoot for formation of an American Legion Auxiliary in Sierra Madre. The movement is being sponsored by Mrs. Harold F. (Leila) Roberts, Mrs. L. E. Steinberger, Miss Elizabeth Steinberger, Mrs. W. E. Doty, Mrs. Elizabeth Scott and other Sierra Madre women.

L. S. Griswold is building a new garage at his home on Woodland Dr., in the Canyon.

The next meeting of the Modern Priscillas will be held at the home of Miss Edith Blumer, 529 W. Highland Ave., on Feb. 5.

19 YEARS AGO THIS WEEK, Jan. 28, 1943 — More than 19 inches of rain fell within 36 hours at Sierra Madre's northern boundary during the peak of last week's storm. The torrential rains of Friday night left drains and culverts clogged, more than 2,000 yards of silt and debris along the principal thoroughfares so that the street department estimates two weeks will be needed to restore things to normal.

During the evening serv-

group it was for the music presented by various chorals groups during the Christmas week.

AS MENTIONED before, surely many Sierra Madre residents are grateful and happy that Leila Roberts, year after year, sets the mood of Christmas in the heart of Sierra Madre with one simple, lovely decoration.

If we can't have a big, expensive, well coordinated job of decorating the entire business section professionally, let us enjoy one well placed scene, and be thankful that we don't have to compete with the surrounding communities to have bigger, better and showier decorations year after year.

We feel one tasteful and effective display is far more desirable than many flossy decorations spotting the downtown area of Sierra Madre.

Just another opinion. —MR., MRS. G. T. FLEMING

Dear Editor:

Members of the Sierra Madre Volunteer Fire Department wish to express their sincere thanks for all the help you have given our activities during the past year.

It is the help of the Sierra Madre News and the people of Sierra Madre that has enabled us to make our job easier, not only in fire-fighting but in fire prevention and our Christmas and Easter parties for the children.

—JOSEPH GRIPPI,
Sierra Madre Volunteer
Fire Department.

Dear Editor: In reference to the criticism of Christmas decorations in our city, we feel that many will agree that the lovely Nativity scene in our town square is adequate and charming for a town of this size.

After driving through miles of tinselled and elaborately decorated thoroughfares in neighboring — and wealthier — communities, it has always been most refreshing to return to Sierra Madre where the true Spirit of Christmas is so charmingly reflected in one lovely setting in our town square.

Seldom during the holiday season can one pass the Nativity scene under the big pepper tree without seeing youngsters and their parents walking around the figures, taking pictures, or simply quietly enjoying the effect of the lovely setting. And what a wonderful back-

ice at Bethany Church on Sunday at which the new organ was dedicated. Rev. S. R. Sheriff revealed that Lt. Commr. Joseph W. Storm, U.S. Navy retired, had donated the instrument in memory of his wife, Laura Elizabeth Storm who died several months ago. Until this time the name of the donor had been kept secret.

12 YEARS AGO THIS WEEK, Jan. 27, 1949 — Rudolph Hartman was named president of the San Gabriel Valley Pharmaceutical Association last week. This is a signal honor since the association encompasses all pharmacists in the valley, including Pasadena.

R. C. Lewis, chairman of the Sierra Madre Chapter, American Red Cross, announces appointment of Richard Lees as chairman of the Red Cross Fund Drive.

Superior General Albert Dean of the Passionist Congregation, left yesterday for Australia after a two-week stay at the Sierra Madre Mater Dolorosa Monastery. He is the head of the Passionist orders throughout the world. A native of Buenos Aires, he makes his official residence in Rome.

7 YEARS AGO THIS WEEK, Jan. 27, 1955 — Sierra Madre will have a new tax election April 29. Its purpose will be primarily to increase revenues for hiring of an additional classroom teacher, to increase the salaries of teachers presently employed and to meet the increased tuition costs to Pasadena for Junior High School students.

George W. Groth Sr., M.D., who observed his 40th anniversary in Sierra Madre this month, has issued a statement thanking those who have assisted him through the years. Dr. Groth, a native of Guelph, Canada, first came to the United States in 1913.

Girl, 7, Suffers Second Dog Bite

For the second time in two years, Barbara Wilson, 7, daughter of Mr. and Mrs. John T. Wilson of 383 W. Sierra Madre Blvd., has suffered a dog bite.

Barbara was playing about the yard last Friday when two dogs, also playing, ran at her. When she screamed, one, a dachshund, jumped at her, biting her on one leg. Medical treatment and a tetanus shot followed.

How About Us?

The United States has adopted a program to raise the living standards of Viet-Nam people. Now this is fine — in fact, it sounds great when you first think about it; but later you begin to realize that most of us can stand some raising in our own living standards. This seems especially so when it dawns on us that we work one day a week for

rent, one and one-half for food, one day for taxes and insurance, one and half for doctors, dentists and lawyers. This leaves nothing for the installment boys, beer, bowling, and one night out... see what I mean.

Plans Approved For First Building Of Church Plant At Shepherd Of The Hills

Preliminary plans for the first building of the new church project are being designed following approval of site plans by the Shepherd of the Hills Lutheran Church congregation.

The congregation, now meeting in Sierra Madre Masonic Temple, hopes to break ground in a few months on its site at the northwest intersection of Santa Anita Ave. and Foothill Blvd. in Arcadia.

First building will include a chapel, Sunday School rooms, fellowship hall, kitchen, nursery, office, paved parking and restrooms. It will be erected on Foothill Blvd. on land west of the Richfield Service Station on the intersection.

LATER DEVELOPMENT will add more Christian education rooms, a large fellowship hall, administration building and main sanctuary.

The station, purchased by the church along with the three-acre site, will remain until the final sanctuary is constructed.

Architect Robert R. Inslee of Orr, Strange, Inslee & Senefeld, Los Angeles, has now been asked to proceed with the preliminary plans for the first edifice.

This will be of permanent construction designed to be part of the eventual complex of buildings, and so constructed so it may become classroom space when the main sanctuary is erected.

UNANIMOUS APPROVAL of the site plans, showing the dramatic development of the entire site and making use of the large live oak trees, was given by the members at a special meeting after last Sunday's services.

President Henry R. Nelson presided, with Roger M. Kelley, building committee chairman, explaining the plans. The pastor is Rev. Ray E. Hansen.

'For Those In Peril' Is Hansen Topic

"For Those In Peril" will be the sermon of Ray E. Hansen, pastor of Shepherd of the Hills Lutheran Church, 33 E. Sierra Madre Blvd., Sierra Madre, at 10:10 a.m. Sunday.

Calming of the great storm on the Sea of Galilee by Christ will be the Gospel text (Matthew 8:23-27) for the message.

"All of us alive today live in peril," the pastor will say. "If we want to calm the storms of our personal lives, we need to cultivate our faith until it approaches the deep personal faith of Christ."

"HUNDREDS of years separate us from Christ and this little fishing boat, yet disasters just as perilous rock the calm sea of our life. The presence of Christ can bring us peace and save us if we but awaken Him. Only when we call upon Him will we be amazed what wonders He can perform for us!"

The choir directed by Charles E. Markham will sing the anthem "God So Loved The World."

Christian education classes for all age levels are at 9 a.m., including adult Bible study.

'Youth Day' This Sunday At Methodist

Sunday is Youth Day at the Sierra Madre Methodist Church. Jim Case, president of the Senior Methodist Youth Fellowship, and Carolyn Kirk, who recently attended a Youth Conference Meeting at the College of Pacific, Stockton, will participate in the morning worship services with other youths of the church.

Rev. Clinton W. Swengel will speak on "Youth Looks at God." Worship services at 9:30 and 11 a.m.

The Official Board elected George Rogers as chairman of the Finance Commission; Norman T. Vick, chairman of the Membership Commission, and Mrs. Donald Garbaccio, chairman of Missions, to fill vacancies recently created.

REV. DAN TOWLER, pastor, Lincoln Avenue Methodist Church in Pasadena, was guest speaker at the dinner meeting of the Senior High MYF, Sunday night. Rev. Mr. Towler, ex-Rams.

THE FILM, "Question Seven," is recommended to enlighten the Western World of actual incidents and documents from the East zone of Germany. The title refers to a pivotal questionnaire distributed by Communist rulers to students in East Germany schools. The answers pose a critical test of the conscience because only those students deemed politically reliable are allowed to pursue advanced study toward a career of their own choosing.

"Question Seven" is a Louis de Rochemont Association production filmed in collaboration with Lutheran Film Association, and produced by Luther Wolff, who also produced "Martin Luther."

The film will be shown at the State Theater, 770 E. Colorado, in Pasadena, beginning Wednesday, Jan. 24.

Church Will Show 2 Movies Sunday

Two movies, "Till Freedom Comes" and "Day For Witness," will be shown at the Sierra Madre Congregational Church at 7:30 p.m. Sunday, Jan. 28. These are interdenominational films for churches studying Latin America.

The Congregational Church invites the public and especially members of other churches interested in Latin America.

"Till Freedom Comes" is a story of South American Indians. "Day For Witness" is that of a family facing modern social change.

Jewish Community Center Elects Max Knell; Plans For New Establishment

At the recent general membership meeting of the Foothill Jewish Community Temple-Center, 212 N. Lima St., Sierra Madre, the following officers and trustees were elected for the year 1962:

Faith Chiefs To Take Part In Workshop

Officers of Faith Lutheran Church, 835 Hastings Ranch Dr., plan to attend the Sunday afternoon session of the Congregational Leaders' Workshop, to be held at St. Paul's Lutheran Church in Pomona.

The departmental sessions are designed to assist the various church officers and board members in acquiring spiritual skills for their positions and to share ideas and programs.

Freeman Robbins, past president of Faith Lutheran Church, will serve as topic and discussion leader for the department of Congregational Presidents.

THE CHURCH COUNCIL of Faith Lutheran Church will meet next Tuesday night at 7:30 o'clock for the first meeting of the new year.

In the 10:30 Sunday morning worship service, Rev. Armin Hesse will speak on "Building Carefully or Carelessly." The Bible lesson in the 9:15 a.m. Sunday School session will be "The Healing of the Nobleman's Son."

Thinking About God's Will Topic

Today's demand for progress based on a true comprehension of God's nearness and all-power will be stressed Sunday at all Christian Science church services.

Highlighting the lesson-sermon on the subject of

"Truth" is the golden text from Psalms (119:151, 160), "Thy art near, O Lord; and all thy commandments are truth." Thy word is true from the beginning.

When "Jesus went up into the temple and taught, and the Jews marveled, saying, 'How knowest this man letters, having never learned?' Jesus answered them, and said, 'My doctrine is not mine, but His that sent me. If any man will do His will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.'" (John 7:14-17).

Dr. Barnhart To Conclude Talks Sunday

"How to Use Religious Science" is Dr. Ethel Barnhart's sermon subject at 11 o'clock, Jan. 28 at the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia.

This is the last of the January series of lesson-sermons devoted to the teaching of Religious Science as a scientific approach to everyday living, based upon the teachings of the Bible.

The theme of "How to Use Religious Science" will be not only the practical application of the teaching to meet daily needs, but also its power in prayer therapy.

The Tower Choir will present the anthem, "Lift Up Your Heads, O Ye Gates," by Ashford. Child care is available.

JUNIOR CHURCH meets at

11 o'clock and offers classes from pre-school through 9th grade. High school and college groups meet at 7:30 o'clock Sunday nights. Dedicated teachers offer a creative experience to your child at each age level. All young people are welcomed.

Rev. Rosalie Fowler conducts a healing meditation hour in the sanctuary on Wednesday mornings at 10:30 o'clock. Treatment for special needs is an important part of this holy service.

Beginning Tuesday night, Feb. 6, at 7:30 o'clock, Dr. Barnhart will present a five-week course on "Christ Mind Healing." Through the Christ healing of the mind, man is freed from the causes of limitation and suffering and can live above the laws of human thought. This is a tuition class open to the public. Call Hillcrest 6-8206 for further information.

For daily prayer, dial Hillcrest 7-6162.

Temple Club Will Hear Dr. Melman

Donald Weissman, president of the Foothill Jewish Community Temple Center Men's Club, announces the next breakfast of the club will be held on Sunday, Feb. 4, at 10 a.m., at the Social Hall of the Temple, 212 N. Lima St., Sierra Madre.

"I build all kinds, but I live in a Medallion Home"

"Because I'm a builder, I was most particular about my own home. Consequently, we built it to Medallion Home standards.

"That was three years ago. Today, my wife wouldn't have any other kind of cooking facilities except electric. Certainly it's cleaner; and the heat is positive, dependable, uniform.

"From a builder's standpoint, Medallion Home standards for wiring and lighting are what every well-built home should have. For us, as well as home buyers everywhere, I believe, the Medallion Home is a mark of quality and prestige. I'm proud to have the Medallion Home Award on homes in my 'Montecillo' project in Rolling Hills Estates on the Palos Verdes Peninsula, and on my 'Merit Homes' development in Gardena."

Take a tip from builder George Chacksfield, an expert. Choose the home with the Medallion Home Award.

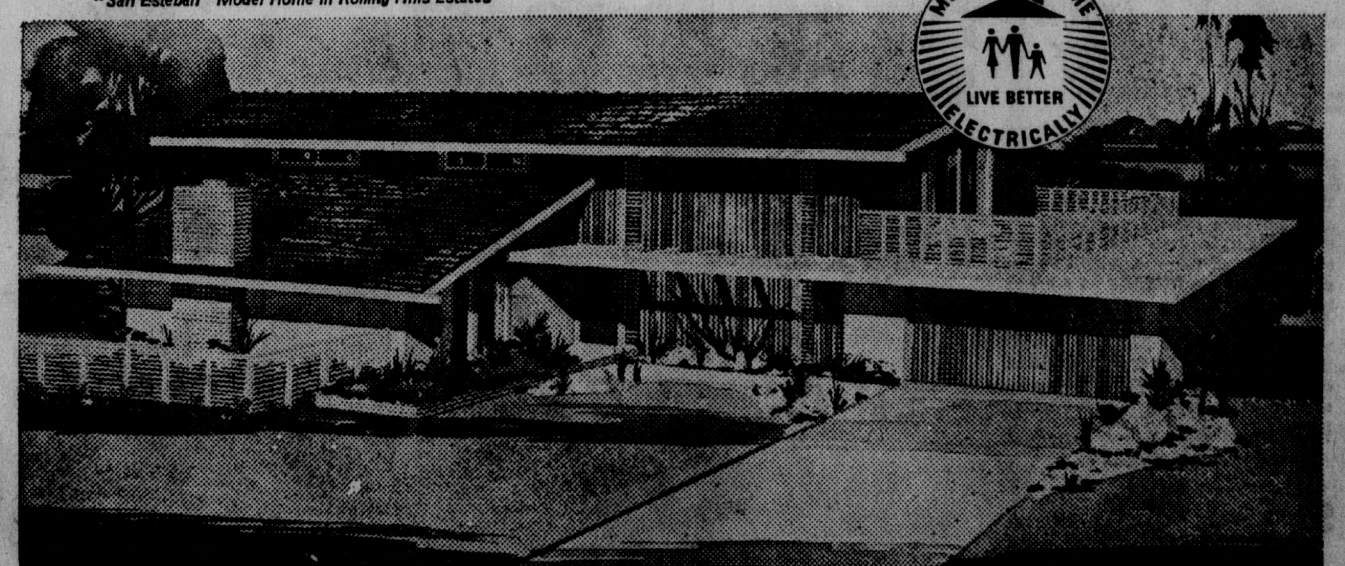

Only one new home in five earns this distinction. These are the qualifications:

1. A flameless electric kitchen—cool, clean, modern. It comes equipped with major electric appliances, including automatic flameless electric range and oven.
2. Full "Housepower" wiring—only a home built to meet rigid Medallion Home standards has the overall electrical capacity necessary for truly modern living.
3. Abundant lighting—planned for comfort, convenience and beauty.

A total-electric Gold Medallion Home gives you all these benefits plus:

4. Flameless electric space and water heating.
